## **WHO IS A CLASS MEMBER?**

You are receiving this notice because records show you are likely a Settlement Class Member (“Class Member”). The Class includes everyone whose personal information may have been impacted during a data security incident that Horizon Actuarial Services, LLC (“Horizon”) experienced in November 2021 (“Data Security Incident”).

## **WHAT ARE THE SETTLEMENT BENEFITS?**

Under the Settlement, Horizon has agreed to pay \$8,733,446.36 into a Settlement Fund that, if approved by the Court, will be distributed to Class Members who submit valid Claims (after deducting attorneys’ fees and expenses and settlement administration notice and administration costs). Class Members may submit Claims to receive cash payments. Class Members who believe they suffered out-of-pocket expenses as a result of the Data Security Incident may claim up to \$5,000 for the reimbursement of sufficiently documented expenses. Class Members who spent time reviewing their personal information as a result of the Data Security Incident may claim up to \$125. An estimated \$50 cash payment may be made to class members submitting valid claims. Class Members who were living in California at the time of the Data Security Incident may submit an additional claim for an up to \$50 cash payment as compensation for their claims arising under California state law. Cash payment and California payment amounts may be adjusted downwards depending on the amount of valid Claims. More information about the types of Claims and how to file them is available at the website listed below.

## **WHAT ARE YOUR RIGHTS AND OPTIONS?**

**Submit a Claim Form.** To qualify for a cash payment, you must file a Claim.
